Welcome to the OCAR - Online Course Work Results System
This system is an effort by FKA as a service to FKA students to view their course anywhere.

Policy:

1. Student must register as User
2. The password is not your email password

As a registered user, students can Sign In to do the following:

3. Student must register Subjects as instructed by their respective lecturers
4. Student can view own results only, anywhere with internet facilities
