Subject: Psychology x Applied Psychology x Clinical Psychology x Developmental And Educational Psychology x Experimental And Cognitive Psychology x  
General Psychology x Neuropsychology And Physiological Psychology x Psychology (Miscellaneous) x Social Psychology x

**i** CiteScore metrics for journals and serials x

CiteScore metrics from Scopus are:

- Comprehensive
- Transparent
- Current and free

Use this page to find a source and view associated metrics. Use qualitative as well as quantitative metrics when presenting your research impact. Always use more than one quantitative metric. Learn more about CiteScore.

The diagram illustrates the CiteScore calculation process. It shows a timeline from 2013 to 2018. A box labeled 'Documents from 3 years' spans the years 2014, 2015, and 2016. An arrow points from this box to the year 2017, which is labeled 'Citations in 2017'.

1,132 results
