We're improving your stats and scores

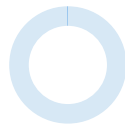

Here's what's new:

-  A new score, called Research Interest, will give you better insights into scientists' interest in each of your research items.
-  A simple total of your Research Interest helps you keep track of interest in all of your research items in a convenient way. [See it on your stats page](#)
-  A way to see the interest your research items are getting compared to others in their field or year of publication.
