

The Compendium does not purport to be the final word on best practice in urban design. Further information on urban design principles and case studies can be obtained from organisations such as Commission for Architecture and the Built Environment (CABE), the British Urban Regeneration Association, the Urban Design Group, the Civic Trust and the Resource for Urban Design Information (RUDI) website (<http://rudi.herts.ac.uk>).

As a best practice guide such as this derives its value from the projects and partnerships it forms and stimulates. English Partnerships and the Housing Corporation want the Compendium to continue to be used but we also desire feedback from the experience of its use. What needs to be changed? What is missing? What should not be there? What is difficult to understand? What is difficult to implement?

We will learn from this feedback and use it to develop both the web based guidance and our other best practice documents. We will also look to implement any suggestions for better, more effective ways of working in our future projects.

All feedback should be sent to the following address:
