

"NUCLEAR SAIL" IAN HAMILTON FINLAY (WITH JOHN ANDREW) 1973 SLATE 5FT
AT STONYPATH, SCOTLAND

Definitions

A focus can be defined as:

- a form or centralised group of forms (often vertical) that contrast(s) with the surrounding landscape
- a landscape form which assists orientation
- a form that marks a place of spiritual, cultural or social significance attracting people and becoming a destination and gathering point
- an 'event' in the landscape.
