

resources

Print

- *Anne Lovejoy's Organic Garden Design School* by Anne Lovejoy (Rodale Press, 2001). An excellent introduction to landscape design, with a goal of a trouble-free garden that works with nature.
- Order the *Natural Lawn & Garden Care* series of guides and/or companion *Plant List* by calling the Natural Lawn & Garden Hotline at (206) 633-0224, or emailing info@lawnandgardenhotline.org
- Request paper copies of Client Assistance Memos (CAMs) and permitting information by visiting the 20th floor of the Seattle Municipal Tower (located at 700 5th Avenue, just north of Seattle City Hall).

Websites

- Download the *Natural Lawn & Garden* guides and/or companion *Plant List*, or order printed copies by going to www.seattle.gov/util and clicking on *Yard*.
- A resource list companion to this guide is also available. Find it and other guides in the *Green Home Remodel* series (including Bath & Laundry, Kitchen, Roofing, Painting, Salvage & Recycling, and Hiring a Pro), see www.seattle.gov/sustainablebuilding and click on *Green Home Remodel*.
- For Client Assistance Memos (CAMs) and permitting information, visit the Seattle Department of Planning and Development online at www.seattle.gov/dpd/camlist/camlist.asp
- Looking for salvaged landscaping materials? Check out the King County's Online Materials Exchange at www.metrokc.gov/dnrp/swd/exchange/

Hotline

Get personalized answers to your natural landscaping questions by contacting the Natural Lawn & Garden hotline at info@lawnandgardenhotline.org or calling (206) 633-0224.
