

Upper left: American Way, the project's unifying spine, takes inspiration from the great streets of the world like the Ramblas in Barcelona
 Lower left: Visitors arriving by water enter the project's signature plaza, lined with diverse entertainment and retail uses
 Upper right: Public art - here two eagles atop poles and a terrazzo map of the Chesapeake Bay - provide a gateway between American Way and the Potomac River
 Lower right: Lined with retail, seating, lush planting, custom furnishings and a series of fountains, the American Way provides a shady place to shop, watch and relax
