ASSIGNMENTS DETAIL

:: PRACTICAL (Group)
Make a report on the installation/assemble of a computer. Provide step by step with a picture on how to assemble a computer. Please find a suitable reference video to help you. Write a report based on the template given. The report also needs to include reflection on the shown installation/assemble process of a computer is not solely meant for specific gender. Both genders are able to understand how de-assemble and re-assemble all computer hardware.

*TEAMWORKING WILL BE ASSESS WHERE PEERS WILL EVALUATE YOUR CONTRIBUTION TOWARDS THE PROJECT COMPLETION
