

***Advances in Structural Engineering***  
***An International Journal***

*The 2013 Certificate of Commendation of the Journal*  
*for papers published in 2010*

*is awarded to*

*N. Bakhtary, H. Hao and A. J. Deeks*

*for the paper entitled*

*Structure Damage Detection Using Neural Network with Multi-Stage Substructuring*

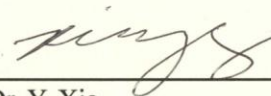

*Vol. 13, No. 1, pp. 95-110*

*as the runner-up paper for the J. M. Ko Medal*
