LAB TEST RUBRIC [15%]

Student's name :_____

Criteria	Mark	CO/ PO	Taxo-nomy lev.	Un-Satisfactory (0)	Satisfactory (40%)	Good (70%)	Excellent (100%)	Score (M x %)/ 100
Correctness	10	3/2 THPA	C5	Program does not compile. Or errors occur on input similar to sample	Significant details of specification are violated, or program often exhibits incorrect behaviour.	Minor details of the specifications are violated, program functions incorrectly on some inputs	Program always works correctly and meets the specifications	
Readability	5	3/2 THPA	C5	Several major issues that make it difficult to read.	At least one major issues that makes it difficult to read.	Minor issues such as indentation, variable naming, general organization.	Code is clean, understandable, well organized.	
							Total	

- ✓ **Correctness**: You program should work correctly on all inputs. Also, if there any specifications about how the program should be written, or how the output should appear, those specifications should be followed.
- ✓ **Readability:** Variables and functions should have meaningful names. Code should be organized into function/ methods where appropriate. There should be appropriate amount of white space so that code is readable, and indentation should be consistent.
